

Field Technician - Equipment Installer

Job Description

We are currently looking for motivated, hard-working, enthusiastic **Field Technicians** to join our installation team! Your primary responsibility will be installing playground structures, trampolines, and basketball hoops. This is a vital role for Kids Gotta Play as you will serve as the final point of contact with the customer in their yard delivering on what they have purchased. Each installation can take anywhere from 1 to 5 hours depending on the product and there are incentives in place for timely and correct completion of work.

- Work from detailed instructions during assembly with occasional independent decision making
- Opportunity to experience something different every day with new job sites and projects
- Represent the company in a friendly and professional manner to ensure the successful delivery and installation of our premium products
- Communicate frequently with sales & operations staff to ensure all of the customers' needs are known and met
- Great opportunity to learn new skills that will help to advance your career

Qualifications & Experience

- Prior experience working with power tools – equipment installation and technical experience/mechanical aptitude are a plus
- Ability to read, analyze and interpret instructions and documents such as invoices or workorders
- Ability to apply common sense understanding to carry out detailed written and oral instructions
- Excellent customer service skills
- Ability to lift 50 to 100 pounds
- Ability to work outdoors on a daily basis
- High School Diploma or equivalent strongly preferred

Requirements

- Valid Driver's License
- Reliable transportation to and from work

Compensation and Benefits

- \$15 to \$20 per hour (depending on experience)
- Bonus monetary incentives on every project
- Paid Training and tools for work provided
- Steady schedule with ample overtime opportunities
